COMPANY

The Aroma Shop products are certified by U.S Department of Agriculture (USDA) as organic products. The Aroma Shop values making good products to human by using safe ingredients from the nature and making the 'right cosmetics.' Focusing on animal life and dignity of nature we persist in using 100% organic components from plants as ingredients for The Aroma Shop's cosmetic products.

The Aroma Shop promises to protect the lives and the nature while continuously developing good ingredients and materials.

Products

Hypoallergenic Facial Toner for Sensitive Skin.

Certified Organic product by USDA (United States Department of Agriculture), the organic rose oil becomes soluble in water using The Aroma Shop's patented Water-Soluble Technology which makes your skin brighter and moisturized. It is a very powerful antimicrobial essential oil that also helps to soothe and calm irritated skin.

Convenient, portable and no-rinse feminine mist.

A feminine mist with organic ingredients that can be used anytime throughout the day. Certified organic by USDA, this product is a hygienic feminine mist perfect for feminine care with fresh and romantic rose scent, and is also portable and convenient to use.

Rose Essence Mask Pack

Rose Essence Mask is an aqua-type sheet mask that can be lightly and refreshingly absorbed into the skin.
