Avajar Co.,LTD.

Information

Avajar is a professional home care brand that offers people living in today's busy society the best solution to enhance one's skin at a rational price. By discovering and using good raw materials for the skin, we are developing beauty products that are of the highest quality that can be used daily at home at an affordable price.

We distribute our product in Olive Young, Lotte Department Store and more than 1000 domestic pharmacies. Currently exporting to 32 countries including USA, Japan, China, Europe, South East Asia, South America and the Middle East.

1. Avajar Perfect V Lifting Premium Mask

Special fabric that has great elasticity and the ability to shrink back to its original size. Used specialized fabric for V-Line care for the jawline and lifting effects. The main ingredients of our V Line Care are Caffeine, Glucine, PPC and the expensive high-functioning nutrients to protect the jawline and skin.

2. Avajar Melanin Whitening Line

Our Melacontrol formula is crafted with more than 10 kinds of effective ingredients to inhibit melanin and brighten and hydrate skin. The Melacontrol Whitening Sun Stick (SPF50+/PA++++) could protect you from sun damage in the daytime and brighten your skin without a sticky or heavy feeling.

3. Avajar Cannagreen Calming Line

Sometimes we don't need a full mask pack, especially on busy mornings, our Calming Toner Pad allows you to apply it to a specific area, and your skin will be soothed and hydrated in three minutes. Cannagreen formula was designed for sensitive skin, crafted with Cannabis Sativa Seed Extract, Panthenol, Centella Asiatica and Portulaca Oleracea.
