

# Columbia Healthcare, Inc.

## Information

We are a company specializing in healthy HEALTHCARE such as medical devices and cosmetics, and we have the philosophy of an honest company and an unadorned company.

We are aiming to enhance not only the appearance but the inner beauty.

Our goal is to provide healthy and radiant skin from deep inside for all the women as their wish.

Thus, it is inspired by our motto to create our brand name, RADICELL.

We value the beneficial effects of the products.

With this in mind it is developed 'Advanced Intensive Cure Line' specially formulated with crocodile oil from clean area, Australia.
