## Information

Ninetails is an unrivaled pioneer of wrinkle care. It's not just an imaginary youth, it is easy and quick for anyone. We seek intuitive home anti-aging care that you can feel with your eyes and fingertips. All skin problems such as wrinkles, elasticity, pores and luster issues reveal as you get older. Ninetails has overcome the limitations of your natural skin without injections or lasers. We control it.

### Products:

Advanced Line Lift Serum is a facial serum that immediately lifts the face and makes it look young. It contains PDRN extracted from Salmon DNA, and Exosomes extracted from the 20s, as white-necked mushrooms, and Centella extracts.

## Items of Exhibition
