

HAENGVOK VITAMIN

Information

Haengbok Vitamin is a foot care company founded in 2007.

“Rest up” is a unique brand of Haengbok Vitamin that wants a healthy life for customers.

We are striving to develop new products such as sap patches that contain natural fresh energy, keratin packs using natural extracts, and moisturizing packs that even the calf are moist.

Refresh your body & soul “RESTUP”

Rest up is a healing foot therapy specialty brand

for you who are tired and from the pure and clear energy from nature.
