HANWOONG INC.

Information

Hanwoong Inc. has been manufacturing and distributing the topmost patch types of skincare products since 1997. We have been running the business with developing and manufacturing the variety of skin care products for client's needs based on effort of improving quality, competitive price, fresh package and delivery on time. We achieved numerous patents and ISO 22716 while developing new products constantly. As a result, we bring the advanced quality improvements to the cosmetic market with various skin care products for our customers' beauty and health with convenient methods. We will continuously develop our technology to bring happiness and beauty for our customers.

Hanwoong's New products
