

SOOSUL cosmetics Co., Ltd

Information

SOOSUL cosmetics Co., Ltd is the best mushroom based cosmetic company in KOREA. SangHwang mushroom(phellinus linteus) has various effects that are excellent for anti-aging skincare.

We are the only cosmetic company that uses this mushroom as a main component of cosmetic products. So we can definitely guarantee you the uniqueness in the market. We can offer diverse patents and clinical test reports about skin effects of SangHwang mushroom.

We have a wide range of clients, including OEM buyers, in more than 25 countries with supporting branches in a global market.
